NARRATIVE FOR POLICE OFFICER ANTHONY A FIELDS

Ref: 13WHI-12630-AR

On 6-1-13 I was dispatched to Wendy's, 4595 E. Main St. on a disturbance. Upon arrival I spoke with victim, [REDACTED]. He stated that he was working inside Wendy's in the drive thru area and heard a male ordering food. The male was getting upset due to the fact that the person working the Drive Thru was talking too fast and not getting his order right. [REDACTED] then told the male to pull around to the window and he would take his order. When the male pulled around [REDACTED] attempted to take his order but the male demanded to speak with a manager. [REDACTED] told the male that the person he was ordering from earlier was the manager. [REDACTED] said the male then continued to be belligerent telling him to "get a real job and go back to the grill and flip burgers" [REDACTED] told the male that he did not have to take his order if he was going to be rude and the male stated "You can't disrespect me, I'm a deputy" and showed him a badge. [REDACTED] then told the male to pull out of the line and the male spit at him and called him a "bitch" and drove off the lot. Witness, [REDACTED] was able to obtain the license plate number [REDACTED], and described the male as white, with tattoos all over his arms. I went to the address that the vehicle was registered to and spoke with the male identified as James Hughes Jr. I asked Hughes about the incident at Wendy's and he said "f--- those ignorant [REDACTED]" He said that they could not get an order right. I asked Hughes if he showed them his badge and he said that he did not but said that he had his wallet out to get his debit card to pay for the order. He showed me his wallet and when he opened it I saw a flap covering a badge. I then asked Hughes if he spit on the window and he said "yes, I was pissed." I went back to Wendy's and spoke with [REDACTED] and advised him that I had located Hughes. [REDACTED] said that he wanted to pursue charges. A charge for disorderly conduct was written up and served as a summons to Hughes.
